

Equipment List for Upper Wilkin Trek - 4 days

Summer weather is usually quite warm in the Wilkin Valley. However it is a remote mountain area and winter type conditions can happen any time of year. Required clothing can vary somewhat according to the time of year or the current weather. At the pre-trip meeting your guide will do a gear check to make sure you have everything you need. The trip is based from Top Forks Hut so you only need to carry daypacks with personal equipment. On the last day you will trek down to Kerin Forks Hut to be picked up by jet boat.

Below is a list of required equipment. Further detail is available in the equipment detail information accessed from the [Upper Wilkin Experience](#) page on www.aspiringguides.com. If you have any questions about the clothing list, please be sure to contact us at climb@aspiringguides.com.
