

Equipment List for Wanaka Day Hikes - 1 day

Our day hikes start from our Wanaka office where you will meet your guide and make introductions before setting off on the day's adventure. From there you will either head to the helipad for your flight into the mountains, or your guide will drive directly to the trailhead. We supply all food and snack foods throughout each day, though feel free to bring your own if you have any specific preferences.

Some of the day hikes reach heights up to 2000 vertical metres above the town of Wanaka and into the alpine environments. At this altitude, temperatures can be 12°C cooler than in Wanaka, further compounded by wind or rain, so a selection of good outdoor clothing is required.

Below is a list of required equipment. Further detail is available in the Equipment Detail sheet, accessed from the [Wanaka Day Hikes](#) Trek page on www.aspiringguides.com. If you have any questions about the equipment list, please be sure to contact us at climb@aspiringguides.com.
